# Convenience

## Because practicing safety should be simple

The BD Vacutainer® Eclipse™ Blood Collection Needle with Pre-Attached Holder is ready to use right out of the package, with no assembly required.

## BD Vacutainer® Eclipse™ Blood Collection Needle with Pre-Attached Holder

Offers a simple, effective way to collect blood, while reducing accidental needlestick injuries

- INTUITIVE and EASY TO USE, so there is minimal change to your technique
- NEEDLE “Bevel Up” orientation toward the pink safety shield PROVIDES EASY IDENTIFICATION of bevel position
- SAFETY SHIELD is an “INTEGRAL” part of the needle; eliminates the need for secondary safety accessory device
- Immediate ONE-HANDED safety feature ACTIVATION reduces exposure time and doesn’t require a hard surface for activation
- SAFETY SHIELD design allows HANDS to REMAIN BEHIND the NEEDLE at all times
- Uses BD PrecisionGlide™ needle technology to ensure HIGHEST QUALITY and NEEDLE SHARPNESS
- Each holder is engraved with the words “DO NOT REUSE” and “SINGLE USE ONLY” to serve as a reminder for single-use holder compliance

BD Vacutainer® Safety-Lok™  
Blood Collection Set with  
Pre-Attached Holder  
#368653

BD Vacutainer® Eclipse™  
Blood Collection Needle  
with Pre-Attached Holder  
#368650

# Compliance

## Because your focus should be on your patient

The BD Vacutainer® Eclipse™ Blood Collection Needle with Pre-Attached Holder:

- Is designed to help your institution comply with OSHA SHIB 10-15-03\*, by reducing the risk of holder reuse.
- Provides assurance that the number of holders will always equal the number of Eclipse™ Blood Collection Needles.
- Each pre-attached holder is engraved with the words “DO NOT REUSE” and “SINGLE USE ONLY” to serve as a reminder for single-use holder compliance.

- 1 Pink safety shield
- 2 Needle is always bevel up toward the pink safety shield  
Same BD PrecisionGlide™ needle quality and sharpness

- 3 Thumb pad for easy, one-handed activation
- 4 Safety shield is an “integral” part of the needle

- 5 Pre-load line
- 6 Engraved text to help drive compliance

# Commitment

## Because your product should be reliable

- The BD Vacutainer® Eclipse™ Blood Collection Needle with Pre-Attached Holder protects the healthcare worker from nonpatient-end needle exposure.
- The Eclipse™ safety shield reduces needlestick risk throughout the hospital, for both hospital personnel and patients.
- After use, the needle can be easily and completely covered by the protective shield that is securely locked in place.
- Improved safety protection from time of activation to final disposal may help reduce long-term costs of needlestick injuries.
