

See and hear what customers are saying about BD Vacutainer® Push Button Blood Collection Set

“Oh, I think the big picture economically includes, of course, the savings and the reduction of injuries.”

Kathy Bryant, RN, CIC
Infection Control Practitioner
Spartanburg Regional Medical Center
Spartanburg, SC
June 2007

“Our exposures were averaging about eight per quarter. When we implemented the pushbutton, we went down to zero. I mean, it was just phenomenal.”

Ellen Wallace, MT(ASCP)
Manager, Pathology Diagnostic Testing Center
Point-of-Care Testing and Phlebotomy
Northwestern Memorial Hospital
Chicago, IL
June 2007

“I think pushbutton blood collection sets are the best thing that a phlebotomist can use in terms of their own safety and the safety of the patient.”

Elizabeth Ann Vencill, MHA, MBA, MT(ASCP) CLS
Clinical Scientist, Laboratory Safety Officer
Memorial Medical Center (a Sutter Health affiliate)
Modesto, CA
June 2007

“The BD Vacutainer Push Button Blood Collection Set—what a gift to nursing! Its ease of use has increased caregiver satisfaction. What else could I ask for? Thank you BD!”

Rosemary Linacre, RN
Director of Value Analysis
Emory Healthcare
Atlanta, GA
August 2005
