

Security Patches: BD Accuri™ System

August 2024

BD Biosciences - BD Accuri™ C6 Plus Cell Analyzer

Microsoft™ and Third-Party Patches: June 2024 – August 2024

BD has identified patches from Microsoft™ that have been identified as critical or security related for June 2024 – August 2024. These patches were not found to adversely affect BD products and will be applied according to customers' service agreements.

Customers that maintain patches independent of BD automated delivery should ensure the validated patches are installed on their BD systems as the acting responsible entity in order to maintain the correct security posture of the system(s).
